To this end he is making arrangements for the entertainment of the ex-soldiers and wants to see every one of the veterans present during the time. It is intended to secure tents if possible and have the men encamp upon the grounds during the time they are here.

**Don't Sit Around and Whine.**

It is a pitiable thing to see a young man whining over his lot in life, and excusing indifference and inaction because of hard luck, or some cruel fate which has put stumbling blocks in his way.

No matter what your environments, or what you may be called upon to go through, face life like a man, without whining. Turn your face to the sun, your back to the shadow, and look the world in the face without wincing. Make the most of your situation. See the beauties in it and not the ugly features. This is the way to improve an unfortunate environment.—Success Magazine
